

Team Name: Sunshine Boys

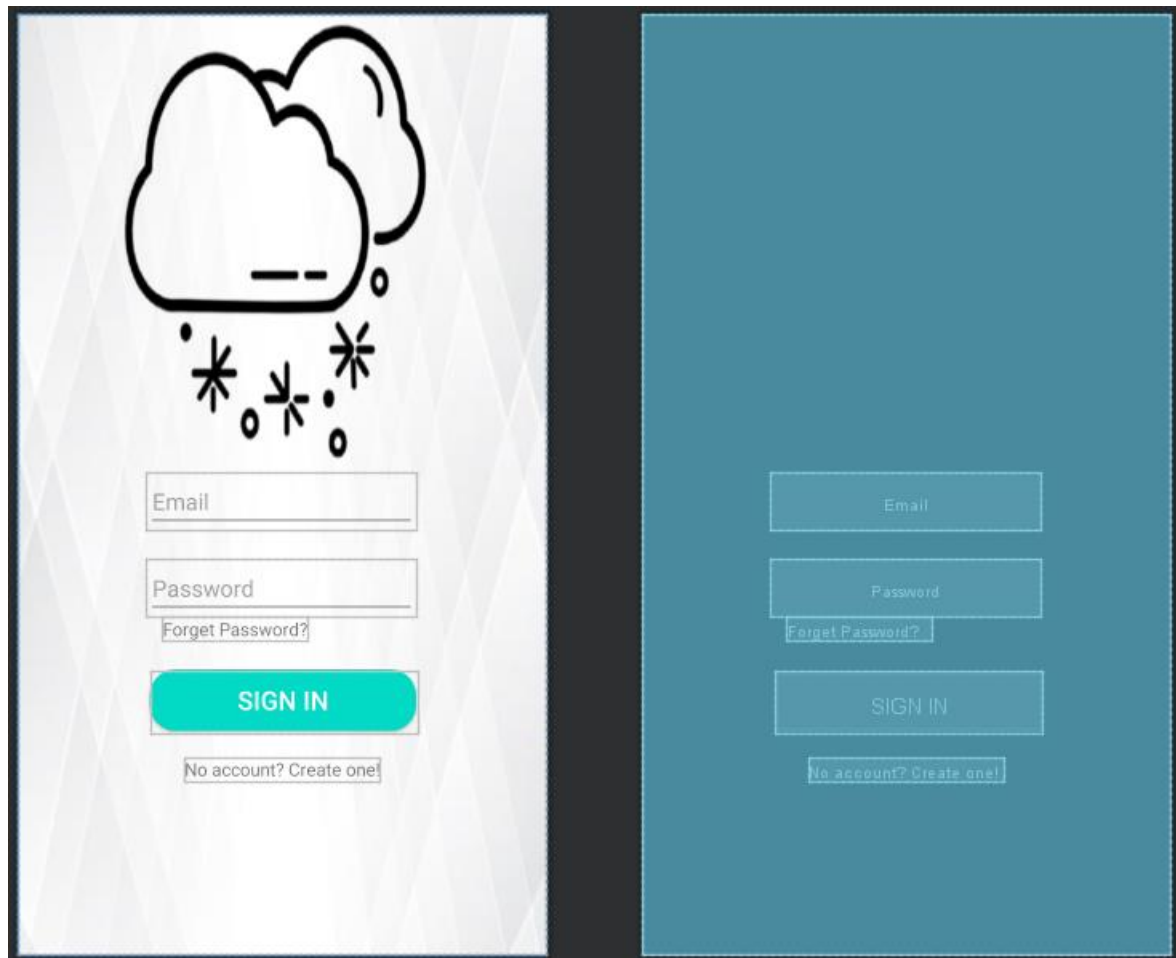

App Name: Sb Weather

File: User Experience

First Screen when you launch the app

Next screen after the splash screen (logo screen)

Registration page, when “Already have an account? Sign in” is clicked.

The illustration shows a stylized cloud with two horizontal lines inside, and several snowflakes and small circles falling from it. The background of the left panel has a light gray geometric pattern.

[Already have an account? Sign in](#)

Reset Password page, when “Forgot password?” is clicked.

The image displays two side-by-side wireframes of a 'Reset Password' page. The left wireframe has a light gray background and features a text input field labeled 'Email' with a horizontal line underneath it. Below the input field is a gray button with the text 'RESET PASSWORD'. The right wireframe has a dark teal background. It contains a teal button with the text 'resetEmailPassword' and a teal button with the text 'RESET PASSWORD' below it. A dark gray vertical bar separates the two wireframes.

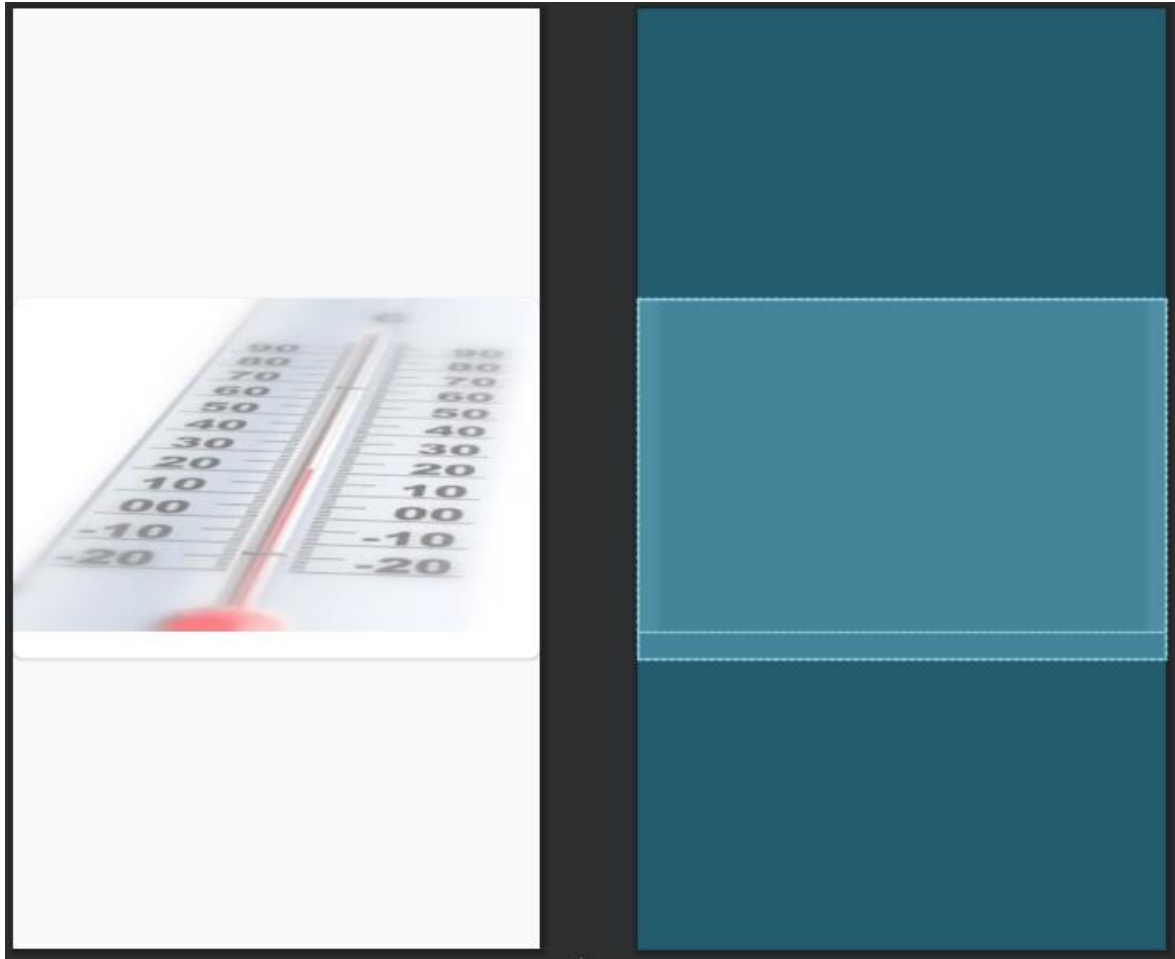

Home Page, after the user credentials are verified through the database.

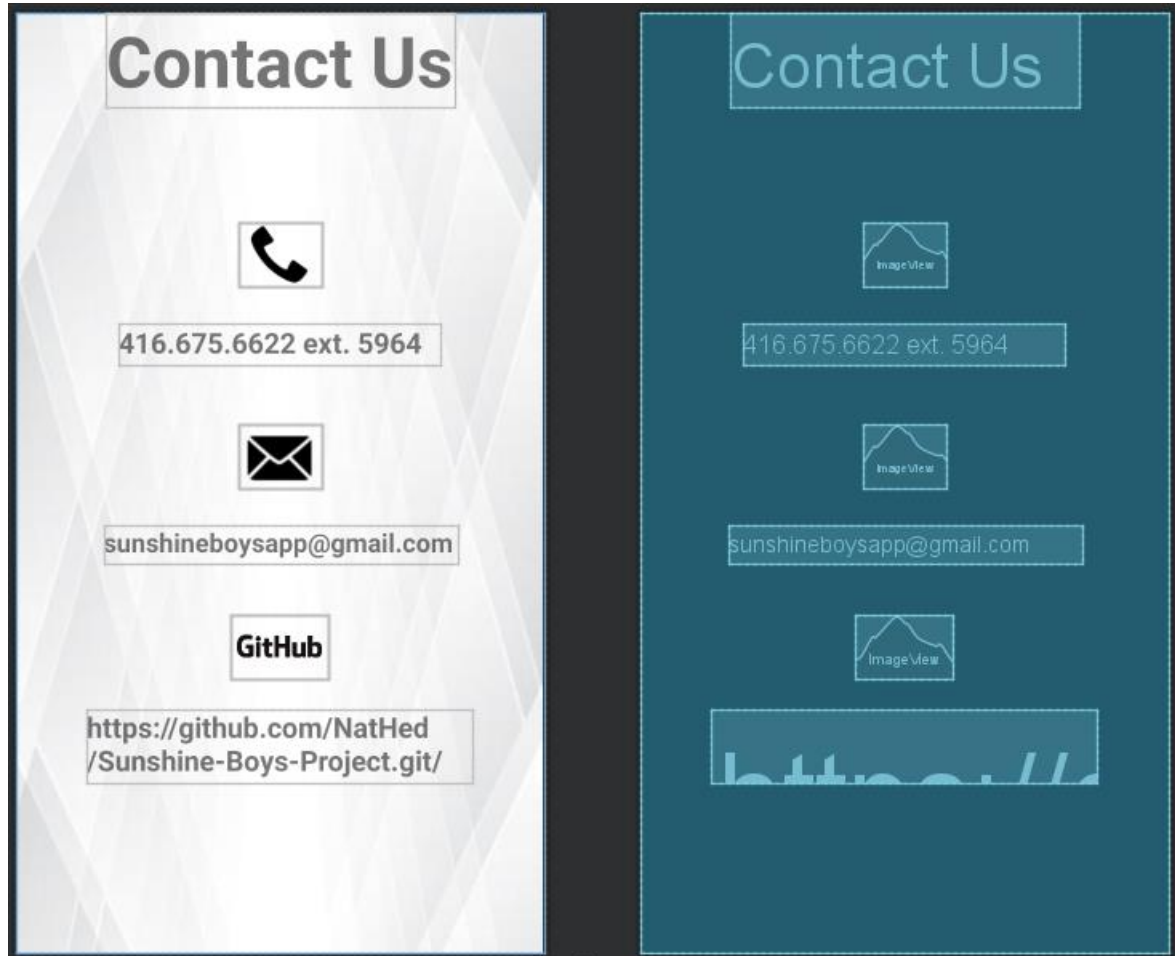

RecyclerView for home page, that 'welcome' textview needs to be removed

CardView for home page, it uses this picture for all the items. We set only 1 picture for testing purposes.

Contact Us Page, which includes Humber's phone number, our company email, GitHub link and this will also be our landscape screen

About Us Page, some information about our company, this will also be our 2nd landscape screen
